And marking your way,
We are sure of you,
We are VNG.

CORO 1.

Your Digital Partner, We are VNG,
In Digital Marketing, We are VNG,
For your Digital Dreams, We are VNG,
Get the Digital future, and the people scream VNG.

1.

Your trust feed our dreams,
And your dreams are making real,
You know what do you feel,
When you walk on the way and you breath,
We link with your Virtus,
We find all your Nexus,
We know you are a Genius,
VNG is your friend.

2.

Tenemos en las manos,
La estrategia que buscas,
Dibujamos tu camino,

Damos color a tu vida,
No creemos en fronteras,
Para que se cumplan tus metas,
Tu confianza es nuestro precio,
Tu sonrisa es tu firma.

PUENTE 2.

Supporting your Business,
Supporting your Skills,
We just imagine,
We just believe.
